SUNSET CHAPTER REPORT

Since the last meeting of the AHS about three months ago the Sunset Chapter has held three regular monthly meetings and one special meeting. We made plans for our coming show on October 4th, discussed plans for the TV show on Channel 8, on May 16th with an article in the Tampa Morning Tribune on May 17th. We also made plans to invite the AHS to hold the 1960 Annual Membership Meeting at the Tides Hotel in St. Petersburg.

As a result of the TV show and the article in the Tribune Mr. Bert Livingston turned over to us about 300 post cards received by him. Lists of names and addresses of folks in the Mid-Florida, James E. Hendry and Bradenton areas have been turned over to the chapters or Mr. Eric Golby. Perhaps they can be contacted and secured as members.

About eight members of our chapter attended the Tropical Hibiscus Chapter show in Miami and enjoyed it very much. Two of them judged. On the day following the show they visited some of the members and nurseries and were never treated better.

We are the youngest chapter in the AHS and have received much encouragement and aid from the older members. I wish to take this opportunity to thank each and every one who has helped us. We believe that we have done our best in the past year to spread the word about AHS and will continue to do so in the future. - Mrs. John M. Wylie, President.
